FOR AESTHETIC PLASTIC SURGERY

With excellent, individualized, personal care as his trademark, Dr. Anthony Terrasse is motivated by the desires of his patients and inspired by form and beauty. In practice for over twenty years, he is recognized locally and nationally for his leadership, experience, and expertise in aesthetic surgery and skin care.

He has been featured in radio and TV broadcasts including *ABC*, *CBS*, *FOX*, and *NBC*, as well as in numerous publications such as *People*, *Fitness*, *Satisfaction*, and *Crain's Chicago Business* magazines, the *Chicago Tribune*, and the *Chicago Sun-Times*, to name a few.

Repeatedly named a "Top Doctor" in plastic surgery by both *Chicago* and *North Shore* magazines, Dr.

Terrasse has also been listed as a top aesthetic surgeon in the Castle Connolly Guide and by the Consumers' Research Council of America. Board-certified by the American Board of Plastic Surgery, he is honored to also represent both the American Society of Plastic Surgeons and the prestigious American Society for Aesthetic Plastic Surgery on their national spokesperson networks which serve as resources for *Allure*, *Glamour*, *Vogue*, and the like.

Dr. Terrasse's combination of credentials, attention to detail, and friendly, professional rapport with his patients provides an atmosphere where the issues of self-esteem and image enhancement are addressed on a personal and confidential level.

His practice also features **refinements** MediSpa and provides effective facial rejuvenation, advanced skin care, and body contouring, utilizing the latest in surgical and noninvasive techniques, including lasers, light, radio frequency technology, and computer imaging.

Dr. Terrasse is on staff at multiple hospitals along the North Shore and in the northwest suburbs and is a past chairman of the Department of Surgery of Lake Forest Hospital. He has convenient office hours, including evenings and weekends, and has several fully accredited surgical facilities available for your comfort, confidentiality, and safety.
